RE: Petition of South Carolina Electric & Gas Company for Updates and Revisions
to Schedules Related to the Construction of a Nuclear Base Load Generation
Facility at Jenkinsville, South Carolina - Docket No. 2010-376-E

Dear Ms. Boyd:

On April 8, 2011, pursuant to the request of the Commission during the April 4, 2011 hearing in this docket, South Carolina Electric & Gas Company ("SCE&G") submitted a late-filed exhibit regarding the escalation impact of the \$174 million increase in capital costs on the overall project cost. In reviewing this submission, SCE&G noted the omission of the calculation used to derive the escalation amount indicated in the exhibit.

SCE&G, therefore, is presenting the enclosed exhibit to be identified, per the court reporter, as Hearing Exhibit No. 7 and to replace the exhibit filed on April 8, 2011.

If you have any questions regarding these matters, please do not hesitate to contact me.

Very truly yours,

Belton T. Zeigler
